## **Enrollment Policies**

## Fall and Spring Enrollment Policy

All fall and spring enrollment requests must be sent to <a href="math@unlv.edu">math@unlv.edu</a> from your student Rebelmail account for security and documentat on purposes. (We do not give permissions in person or over the phone.) You must include the following informat on in your email: f rst and last name, NSHE#, Semester, sect on number and the permissions you are seeking (add, drop, etc.). All requests will be processed within 24-48 business hours.

## Summer Enrollment Policy

All summer enrollment requests must be sent to <a href="mailto:math@unlv.edu">math@unlv.edu</a> from your student Rebelmail account for security and documentat on purposes. (We do not will find the most up-to-date information on MyUNLV. Please review for information prior to contacting our department.

The last day for permission into math classes for summer session I is the first day of class. The last day for permission into math classes for summer modular, summer session II, and summer session III is the second day of class. We will not allow enrollment af er that date.

Example: If you are enrolled in Math 126 during spring semester, you cannot enroll in summer I for Math 127. If you complete Math 126 with a C or higher, you are eligible for summer modular, summer II, or summer III to take Math 127.

If you plan on taking Math 127 and Math 181 af er Math 126 in the spring, your only opt on would be summer modular for Math 127 and summer III for Math 181 if you complete Math 127 with a C or higher
